Remote Digital Marketing Specialist · Email & SMS Marketing · Paid Media · CRM & Lifecycle

Quezon City, Philippines · 5.paulandrefutol@gmail.com · Open to WFH / Remote Roles Globally · PH Time (UTC+8) — Flexible to US/AU/UK hours

◆ AVAILABLE FOR REMOTE WORK · IMMEDIATE START

"I've managed AED 96K+ in ad spend, built email campaigns reaching 100K+ subscribers, and coordinated marketing for 6 brands across 3 countries — all remotely, all on time. I bring the output of a full marketing team in a single hire."

PROFESSIONAL SUMMARY

Remote-ready Digital Marketing Specialist with 4+ years of hands-on experience across paid media, email, SMS, CRM, and social media — supporting US, UAE, Australian, and New Zealand brands. At Gilani Group (Dubai), managed AED 96,576 in Meta Ads spend across 50+ campaigns, generated 15,675+ leads, achieved a best CPL of AED 2.90, and cut acquisition costs by 40% through A/B testing and channel reallocation. Currently managing end-to-end email and SMS campaigns for US e-commerce clients using Bluecore and Attentive, maintaining 100% on-time delivery. Certified in HubSpot Digital Marketing and Google Analytics 4. Experienced in async collaboration across multiple time zones with zero hand-holding required.

PROFESSIONAL EXPERIENCE

Email Marketing Specialist — Remote

Nexus Outsourcing LLC · US E-commerce Client | Philippines | May 2026 – Present

→ Build, QA, schedule, and deploy **email and SMS campaigns** using **Bluecore** and **Attentive** for US e-commerce brands with subscriber lists exceeding 100,000.

- Write conversion-focused campaign briefs, audience segmentation strategies, and marketing copy aligned with brand guidelines and campaign KPIs.
- Track and report on campaign performance via **Looker Studio**; translate data into optimization actions that improve open rates, CTR, and revenue per send.
- Manage campaign workflows, QA checklists, and cross-functional deadlines through **ClickUp** and **Jira** — maintaining **100% on-time delivery** across all campaigns.
- Coordinate daily with US-based designers, developers, and brand managers asynchronously across time zones with no delays in delivery.

Social Media & Marketing Lead — Multi-Brand

Gilani Group | Dubai, UAE | Apr 2025 – Apr 2026

- Led digital marketing for **6 brands across UAE, Australia, and New Zealand** — paid media, email, social, content, and cross-functional coordination simultaneously.
- Managed **AED 96,576 in Meta Ads spend** across 50+ campaigns; generated **15,675+ leads** at avg. CPL of AED 6.16, with best campaign CPL of **AED 2.90**.
- Reduced cost per lead by **40%** through structured A/B testing, audience restructuring, and creative iteration — without increasing total budget.
- Grew Instagram link clicks by **135%**, overall views by **100%**, and generated **1M+ Facebook views** through platform-native content strategy.
- Launched **Brevo email marketing** from scratch — copywriting, list segmentation, campaign build, and performance optimization end-to-end.
- Built bilingual **English/Arabic ManyChat** chatflows reducing lead response time to under 2 minutes across WhatsApp and Messenger.
- Coordinated campaigns across **3 time zones** with internal and external stakeholders; maintained brand consistency across all markets.

Email Marketing Specialist — Remote

Managed Uptime Inc · Fullbeauty Brands (US Client) | Philippines | Oct 2021 – Jul 2024

- Managed end-to-end email campaigns for multiple US e-commerce brands — build, QA, scheduling, and deployment with **100% on-time rate**.
- Increased email **open rates by 15%** through subject-line A/B testing, audience segmentation, send-time optimization, and continuous refinement.
- Executed multi-segment personalized campaigns with conversion-focused copy across promotional, lifecycle, and retention email types.

WHY I WORK WELL REMOTELY

- **3+ years of fully remote experience** supporting US and international clients from the Philippines — no adjustment period needed.
- Experienced with async communication, self-managed workloads, and meeting US/AU business hours when required.
- Uses Jira, ClickUp, Slack, and structured handoff notes to keep teams aligned without constant check-ins.
- Consistent track record of zero missed deadlines across multi-brand, multi-market environments.
